

Welcome and Biography Assignment

Edit 302B

For your first assignment, you will be asked to create a "Welcome" paragraph and a personal "Biography" using Microsoft Word. In a future lab session we will teach you how to post this to your Weebly website.

Items you might want to include for your welcome paragraph:
/4 points

- ✓ Welcome to your site.
- ✓ An explanation of what your site is about and what you might find. (Professional Portfolio that you will use to show what you have learned as you journey through post-secondary schooling.)
- ✓ An invitation for them to look through and contact you if they have any questions or concerns.
- ✓ Any other relevant items that you would like to add.

Items you might want to include on your website biography should be: /6 points

- ✓ Your name
- ✓ Background information about your life that others would find interesting.
- ✓ An explanation about why you want to teach. This could include your personal teaching philosophy or a quote.

Total points = /10 points
